MOTION NO. M00-53

[Minor Sidewalk Encroachment Permit Appeal]

APPROVING THE DECISION OF THE DIRECTOR OF PUBLIC WORKS' APPROVAL OF A MINOR ENCROACHMENT PERMIT AT 160 YERBA BUENA AVENUE, AND DENYING THE APPEAL; MAKING FINDINGS.

MOVED. That pursuant to applicable provisions of Section 723.2 of the Public Works Code, the decision of the Director of Public Works through DPW Order No. 172,285, approved April 28, 2000 granting Mr. Michael Acabado a minor sidewalk encroachment permit, subject to conditions, to relocate the St. Francis Wood entrance column northward thirteen (13) feet in the public-right-of-way at 160 Yerba Buena Avenue, be and the same is hereby approved and the appeal is denied; and, be it

FURTHER MOVED, That the Board of Supervisors makes the following findings:

1. Based on the testimony of the member of the Department of Public Works and members of the public heard at the Board of Supervisors on June 5, 2000, we find that the subject minor sidewalk encroachment permit is required for the safety, convenience and comfort of the public using the sidewalk. The current light pillar blocks the vision of automobiles that enter and leave the driveway at 160 Yerba Buena Avenue, and the current placement of the light pillar results in damages to vehicles which exit and enter the driveway. The Board finds that the alternative of widening the driveway does not work in that it would cause the removal of an underground TV Cable vault beneath the sidewalk.

DOCUMENTS DEPT.

JUN 21 2000

1 2. Based on the testimony of the Department of Public Works and members of
2 the public heard at the Board of Supervisors on June 5, 2000, we find that the subject
3 minor sidewalk encroachment permit is convenient for the abutting property owner
4 Michael Acabado in conjunction with such owner's use and enjoyment of his abutting
5 property, for the purposes stated above.

6
7 3. In considering the issuance of permits under the provisions of Section 723.2
8 of the Public Works Code, the Board has considered the location, neighborhood
9 pattern, anticipated pedestrian and vehicle traffic access requirement of the Fire
10 Department, and the convenience and necessities of the owners, occupants and tenants
11 of properties in the vicinity.

15
16 The appellants, Frances Petrocelli and Allan Anderson, filed a timely appeal on May
17 15, 2000, protesting the approval by the Planning Commission of an application for a
18 conditional use authorization (Conditional Use Application No. 99.385C, approved on April 13,
19 2000) allowing the development of an addition to a primary and middle school (Presidio Hill
20 School) of approximately 9,820 square feet on the existing school property, including
21 renovating the existing two-story building of approximately 7,000 square feet, adding a third
22 floor/penthouse of approximately 2,220 square feet, and constructing a new building, one-
23 story over basement, of approximately 7,600 square feet, with a rooftop play area in the area

1 south side between Maple and Cherry Streets, in Lots 1A, 24 and 25, in Assessor's Block
2 0992.

3 The public hearing before the Board of Supervisors on said appeal was scheduled for
4 June 5, 2000. On June 5, 2000, the Board conducted a duly noticed hearing on the appeal
5 from the approval of the requested conditional use authorization.

6 In reviewing the appeal of the approval of the requested conditional use authorization,
7 this Board reviewed and considered the written record before the Board and all of the public
8 comments made in support of and opposed to the appeal. At the June 5, 2000 hearing, the
9 appellants and representatives of the applicant School each stated that they had entered into
10 discussions and an agreement that resulted in the appellants no longer opposing the approval
11 of the requested conditional use authorization, and the School agreeing to additional
12 conditions being imposed on their proposed conditional use authorization. The Board of
13 Supervisors then rendered a decision consistent with the public statements of the parties.

14 NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of the City and
15 County of San Francisco hereby adopts as its own and incorporates by reference herein, as
16 though fully set forth, the findings made by the Planning Commission in its Motion No. 15031,
17 dated April 13, 2000; and, be it

18 FURTHER MOVED, That the Board of Supervisors specifically adopts as its own, and
19 incorporates by reference herein as though fully set forth, the findings made by the Planning
20 Commission in its Motion No. 15031, dated April 13, 2000, that the proposed project is in
21 conformity with the General Plan, and is consistent with the Priority Policies of Planning Code
22 Section 101.1; and, be it

23 FURTHER MOVED, That in furtherance of the findings expressed in the Planning
24 Commission Motion, the Board of Supervisors determined that the additional conditions
25

1 agreed upon by the applicant and the appellants should be imposed on the conditional use
2 authorization.

3 FURTHER MOVED, That the Board of Supervisors, after carefully balancing the
4 competing public and private interest, disapproved the decision of the Planning Commission
5 by its Motion No. 15031, dated April 13, 2000, and authorized a conditional use permit
6 (Conditional Use Application No. 99.385C) allowing the development of an addition to a
7 primary and middle school (Presidio Hill School) of approximately 9,820 square feet on the
8 existing school property, including renovating the existing two-story building of approximately

4 INTENSIFICATION OF A LEGAL NONCONFORMING NIGHTTIME ENTERTAINMENT USE
5 BY PERMITTING LIVE ENTERTAINMENT, AND DISAPPROVING AFTER HOURS LIVE

9 PROPERTY LOCATED AT 201 NINTH STREET; LOT 82 IN ASSESSOR'S BLOCK 3729.

10
11 The appellant, AsiaSF, through its attorney, Brett Gladstone, filed a timely appeal on
12 February 14, 2000, protesting the approval by the Planning Commission of an application for
13 a conditional use authorization (Conditional Use Application No. 99.489C, approved by
14 Commission Motion No. 14936 on January 13, 2000) allowing the intensification of a legal
15 nonconforming nighttime entertainment use by permitting live entertainment, and disapproving
16 after hours live entertainment, the use (AsiaSF) being in an SLR (Service/Light
17 Industrial/Residential) District and within the South of Market Mixed Use Housing District with
18 a 50-X Height and Bulk designation, on property located at 201 Ninth Street; Lot 82 in
19 Assessor's Block 3729.

20 The public hearing before the Board of Supervisors on said appeal was scheduled for
21 May 8, 2000. At its May 8 meeting, the Board of Supervisors continued the public hearing to
22 its meeting of June 5, 2000. On June 5, 2000, the Board conducted a duly noticed hearing on
23 the appeal from the approval of the requested conditional use authorization.

24 In reviewing the appeal of the approval of the requested conditional use authorization,
25 this Board reviewed and considered the written record before the Board and all of the public

1 comments made in support of and opposed to the appeal. At the June 5, 2000 hearing, the
2 appellants requested that the conditions imposed by the Planning Commission be amended.
3 There was no public opposition to the granting of the conditional use permit with the amended
4 conditions. The Board of Supervisors then rendered a decision consistent with the public
5 request of the appellant. The decision of the Board of Supervisors amended two conditions
6 imposed by the Planning Commission, and imposed the additional conditions.

7 NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of the City and
8 County of San Francisco hereby adopts as its own and incorporates by reference herein, as
9 though fully set forth, the findings made by the Planning Commission in its Motion No.
10 99.489C, dated January 13, 2000; and, be it

11 FURTHER MOVED, That the Board of Supervisors specifically adopts as its own, and
12 incorporates by reference herein as though fully set forth, the findings made by the Planning
13 Commission in its Motion No. 99.489C, dated January 13, 2000, that the proposed project is
14 in conformity with the General Plan, and is consistent with the Priority policies of Planning
15 Code Section 101.1; and, be it

16 FURTHER MOVED, That in support of the findings expressed in the Planning
17 Commission Motion, the Board of Supervisors determined that the conditions imposed by the
18 Planning Commission should be amended. Specifically, the Board determined that two of the
19 conditions imposed by the Planning Commission were not supported by the findings of the
20 Commission. The Board amended those two conditions to be consistent with the findings of
21 the Planning Commission.

22 FURTHER MOVED, That the Board of Supervisors, after carefully balancing the

B, I, or BI	Proposition C will ensure that San Francisco can attract and retain the best, most qualified city employees, including nurses, doctors and other vital public safety personnel.	11 11 3
B	Currently, San Francisco <u>ranked among the lowest</u> of major California cities and counties in employee retirement benefits. As a result, the City is losing highly qualified and trained employees every year to other counties and the private sector.	9 13 12 3
	Additionally, city employees hired after 1976, which includes the majority of women and minority personnel, receive substantially inferior retirement benefits. Proposition C will reverse the last 24 years of inequity and, at the same time, ensure that San Franciscans receive the highest quality medical care, libraries and health safety services.	9 9 13 13 6
	This proposal will help close the benefits gap and significantly improve the City's competitive advantage. It will ensure that San Francisco can pay fair retirement benefits in order to attract and retain essential employees, particularly those who are highly sought after by the private sector.	11 12 11 10
B	The current \$2.4 billion surplus in the City's retirement fund means that we can pass Proposition C <u>without raising taxes</u> for at least 15 years, and possibly longer. It is important to note that the retirement fund surplus can only	12 14 14

B	be used to improve retirement benefits.	6
	This measure does not ask for more – it merely asks for parity.	12
	Proposition C will provide an equitable retirement package to all city employees while helping San Francisco to recruit and retain a high-caliber workforce.	12
	Vote for equity and quality. Vote to upgrade city services at no cost.	11
	Vote <u>YES</u> on Proposition C.	13

	San Francisco's senior retirees are facing a healthcare crisis.	8
	Access to decent affordable healthcare is shrinking rapidly. Some city	10
	contracted premiums and rates have skyrocketed—up more than 600% in just	12
	three years.	2
	Some retirees have been completely cut-off from the healthcare services they	12
	desperately need simply by the arbitrary financial decisions of HMOs.	10
	The Board of Supervisors sponsored placing this charter amendment on the	11
	November ballot—by a unanimous 11-0 vote—to protect the healthcare benefits	12
	of San Francisco's retirees. It is the right thing to do.	10
	At this time—while San Francisco is experiencing unprecedented prosperity and	10
	city government is strong—we have both the opportunity and the responsibility	12
	to protect our most vulnerable citizens.	6
	This charter amendment is only fair. The City will pay half of the out-of-pocket	16
	costs of a retiree's health care premium. And the city will pay half the out-of-	16
	pocket cost of the retiree's first dependent coverage—usually the retiree's	11

spouse or domestic partner. It's a 50-50 proposal—the essence of fairness.	13
We urge you to join us in protecting the healthcare of people who worked hard	15
for all of us—retired firefighters, librarians, janitors, teachers, municipal	10
gardeners—thousands of people who served the city well. Let us not fail to	14

	In 1997, the Board of Supervisors added a 3 rd aide through a Charter provision that allows temporary positions for up to 3 years. That provision has now expired, meaning that when residents elect district supervisors, each office will have only two legislative assistants to handle constituent requests, answer phones, and review legislation and the City's budget.	13 13 10 11 9
	Now it's up to the voters to decide. The opponent of this measure, who is merely using the voter's pamphlet to publicize his campaign for elective office, doesn't understand the overwhelming volume of information and requests that each supervisor must handle.	13 12 10 7
	Supervisors' 3 rd aides make approximately \$37,000 per year, but they work very long hours on behalf of the public. If you want your new district supervisors to be as responsive as possible to your district's needs, please vote yes on B.	10 15 12 4

	Proposition C is an economically sound plan that will help San Francisco	11
	upgrade city services and run more efficiently.	7
	This measure will help the City recruit and retain key personnel in today's	13
	highly competitive economy. Without Proposition C, San Francisco will	8
	continue to lose qualified nurses, doctors and health safety employees to other	12
	cities and counties and to the private sector.	8
	Proposition C restores equity to the City's retirement system. Since 1976,	11
	city employees have received retirement benefits substantially inferior to those	10
	earned by state employees and most other city and county workers in California.	13
	For 24 years, the majority of San Francisco's women and minority	10
	personnel have suffered under an inequitable retirement system - this measure	10
	corrects that injustice. The voters have already restored parity to the police and	13
	fire fighters. It is only fair that other key city employees receive equal treatment.	14
	Proposition C will only benefit current and future city employees.	10
B	The City Controller reports that Proposition C <u>will not cost the taxpayer</u>	12
B	<u>anything at all</u> for at least 15 years and possibly longer. The retirement fund,	14

	The Golden Gate Taxpayers Association is simply wrong. Proposition E does	11
	not raid the retirement system. Under this charter amendment no funding for	12
	Proposition E comes from the City's retirement system. Not now, not ever.	12
	The Board of Supervisors voted 11-0 to place Proposition E on the ballot only	14
	after extensive review and consultation with the City Controller's office and the	12
	City Attorney. The fiscal impact analysis in your voter guide is clear and	13
	complete. No money comes from the retirement fund.	8
	The original proponents of Proposition E, the Retired Employees of San	11
	Francisco, specifically and publicly opposed using retirement funds for this vital	10
	senior healthcare relief. During nearly two years of negotiations with	10
	stakeholders from throughout the city—including members of the Board of	11
	Supervisors, seniors groups, the Mayor's Office, labor unions, and others, the	11
	proponents of Proposition E consistently and vigorously opposed any attempt to	11
	link retirement funds with senior healthcare costs.	7
	Proposition E is simple. It restores the City's long commitment to provide	12
	adequate affordable medical services to our senior retirees--who worked a	11
	lifetime to guarantee the health care they need.	8

1 [Findings – 1748 Haight Street]

2 ADOPTING FINDINGS RELATED TO THE APPEAL OF THE PLANNING COMMISSION'S
3 APPROVAL OF CONDITIONAL USE APPLICATION NO. 99.209EC FOR A PLANNED UNIT
4 DEVELOPMENT (ALLOWING THE DEMOLITION OF A TWO-STORY OVER BASEMENT,
5 43-FOOT TALL COMMERCIAL STRUCTURE AND THE CONSTRUCTION OF A 4-STORY,
6 MIXED USE BUILDING, CONTAINING 32 DWELLING UNITS, 2 TOWN HOUSE UNITS,
7 14,200 SQUARE FEET OF GROUND FLOOR COMMERCIAL SPACE AND
8 APPROXIMATELY 75 BELOW GRADE OFF-STREET PARKING SPACES), WHICH
9 REQUIRES A CONDITIONAL USE AUTHORIZATION PER PLANNING CODE SECTION 304
10 (MODIFICATION FROM THE OTHERWISE-APPLICABLE PLANNING CODE STANDARDS),
11 SECTION 719 (SITE LARGER THAN 5,000 SQUARE FEET IN AREA, DEVELOPMENT
12 LARGER THAN 2,500 SQUARE FEET OF GROSS FLOOR AREA, REPLACEMENT OF A
13 SELF-SERVICE RESTAURANT UP TO 3,000 SQUARE FEET OF GROSS FLOOR AREA,
14 OR A FUTURE FULL-SERVICE RESTAURANT UP TO 6,000 SQUARE FEET OF GROSS
15 FLOOR AREA) AND SECTION 134 (FOR DEVELOPMENT IN THE REQUIRED REAR
16 YARD) IN THE HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT AND A 40-X
17 HEIGHT AND BULK DISTRICT, ON PROPERTY LOCATED AT 1754-1764 HAIGHT
18 STREET, NORTH SIDE BETWEEN COLE AND SHRADER STREETS; LOTS 8,32,33,34
19 AND 35 IN ASSESSOR'S BLOCK 1229.

20
21 The appellants, Jeron and Marjorie Donalds, filed a timely appeal on September 5,
22 2000, protesting the approval by the Planning Commission of an application for a conditional
23 use authorization (Conditional Use Application No. 99.209EC), approved by Commission
24 Revised Motion No. 15935 (August 3, 2000), for a Planned Unit Development (allowing the
25 demolition of a two-story over basement, 43-foot tall commercial structure and construction of

1 a 4-story, mixed use building, containing 32 dwelling units, 2 town house units, 14,200 gross
2 square feet of ground floor commercial space and approximately 75 below grade off-street
3 parking spaces), requiring conditional use authorization per Planning Code Section 304,
4 Section 719, and Section 134 in the Haight Street Neighborhood Commercial District and a
5 40-X Height and Bulk District, on property located at 1754-1764 Haight Street, north side
6 between Cole and Shrader Streets; Lots 8, 32, 33,34 and 35, in Assessor's Block 1229.

7 The public hearing before the Board of Supervisors on said appeal was scheduled for
8 September 25, 2000. On that date appellant Marjorie Donalds requested that the hearing on
9 the appeal be continued to a later date. The Board of Supervisors denied the requested
10 continuance, and then conducted a duly noticed hearing on the appeal from the Planning
11 Commission's approval referred to in the previous paragraph.

12 In reviewing the appeal of the Commission's approval, this Board reviewed and
13 considered the written record before the Board and all of the public comments made in
14 support of and opposed to the appeal.

15 After conducting the hearing on the appeal, the Board first certified its review of the
16 Final Negative Declaration, relating to the proposed conditional use of the property at 1748
17 Haight Street, and adopted findings pursuant to Planning Code Section 101.1.

18 NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of the City and
19 County of San Francisco hereby adopts as its own and incorporates by reference herein, as
20 though fully made set forth, the findings made by the Planning Commission in its Revised
21 Motion No. 15935, dated August 3, 2000, including, specifically, that the proposed project is in
22 conformity with the General Plan; and, be it

23 FURTHER MOVED, That there is no need to prepare a subsequent Negative
24 Declaration, because there have been no substantial project changes, no substantial changes
25 in project circumstances, and no new information of substantial importance that would change

1 the conclusion set forth in the Final Negative Declaration; and, be it

2 FURTHER MOVED, That the Board of Supervisors, after carefully balancing the
3 competing public and private interests, approved the decision of the Planning Commission by
4 its Revised Motion No. 15935 (Conditional Use Application No. 99.209EC), dated August 3,
5 2000, and authorized a Planned Unit Development (allowing the demolition of a two-story over
6 basement, 43-foot tall commercial structure and construction of a 4-story, mixed use building,
7 containing 32 dwelling units, 2 town house units, 14,200 gross square feet of ground floor
8 commercial space and approximately 75 below grade off-street parking spaces), requiring
9 conditional use authorization per Planning Code Section 304 (modification from the otherwise-
10 applicable Planning Code Standards), Section 719 (site larger than 5,000 square feet in area,
11 development larger than 2,500 square feet of gross floor area, replacement of a self-service
12 restaurant up to 3,000 square feet of gross floor area, or a future full-service restaurant up to
13 6,000 of gross floor area), and Section 134 (for development in the required rear yard) in the
14 Haight Street Neighborhood Commercial District and a 40-X Height and Bulk District, on
15 property located at 1754-1764 Haight Street, north side between Cole and Shrader Streets;

[Findings – Subdivision Map Appeal for 66-68 Fountain Street]

Motion adopting findings related to the appeal of the decision of the Director of Public Works approving a Tentative/Parcel Map to create two new condominium units on Lot 11, Assessor's Block 6501, at 66-68 Fountain Street.

The appellant, Jerry Regan, filed a timely appeal on September 27, 2000, protesting the September 22, 2000, approval by the Director of Public Works of a Tentative/Parcel Map which creates two new condominium units on the property located at 66-68 Fountain Street.

The public hearing before the Board of Supervisors on said appeal was scheduled for November 6, 2000. On November 6, 2000, the Board of Supervisors conducted a duly noticed hearing on the appeal from the approval of the Tentative/Parcel Map.

In reviewing the appeal of the approval of the requested Tentative/Parcel Map, the Board of Supervisors reviewed and considered the written record before the Board and all of the public comments made in support of and opposed to the appeal.

NOW, THEREFORE, BE IT MOVED, That the Board of Supervisors of the City and County of San Francisco hereby finds that:

1. The proposed Tentative/Parcel Map is exempt from environmental review per Class 1 California Environmental Quality Act Guidelines.

2. The proposed Subdivision is consistent with the General Plan and with the Priority Policies of City Planning Code Section 101.1. The Subdivision is compatible with the objectives, policies, general land uses, and programs specified in the General Plan.

3. The Map conforms to the technical requirements of the San Francisco Subdivision Code and the State Subdivision Map Act with respect to form and content.

1 4. No basis exists under Government Code Sections 66473.5 or 66474 to deny
2 the Tentative/Parcel Map, based on the information before the Board.

3 FURTHER MOVED, That the Board of Supervisors, on November 6, 2000, after
4 carefully balancing the competing public and private interests, approved the decision of the
5 Director of Public Works on September 22, 2000, and approved a Tentative/Parcel map which
6 creates two new condominium units on the property located at 66-68 Fountain Street.

1 [Authorization for the Clerk of the Board of Supervisors to serve as the Executive Officer of
2 the San Francisco Local Agency Formation Commission.]

3 **Motion authorizing the Clerk of the Board of Supervisors to serve as the Executive**
4 **Officer of the San Francisco Local Agency Formation Commission.**

5
6 WHEREAS, Local Agency Formation Commissions ("LAFCOs") were created in every
7 county by the California Legislature in 1963 to encourage the orderly formation and expansion
8 of local governmental agencies; and,

9 WHEREAS, As the only consolidated city and county in California, San Francisco has
10 not been faced with proposals for the incorporation of new cities within the county or the
11 change of San Francisco's boundaries since the creation of LAFCOs in 1963; and

12 WHEREAS, In 2000, a citizen petition was submitted to the Board of Supervisors of the
13 City and County of San Francisco and its Department of Elections calling for an election to
14 create a municipal utility district ("MUD") encompassing San Francisco and the City of
15 Brisbane; and

16 WHEREAS, As a result of the MUD petition, the Board of Supervisors appointed three
17 of its members to the San Francisco Local Agency Formation Commission ("SFLAFCO"), who
18 in turn appointed two citizen members, in order to activate the commission and process the
19 MUD proposal consistent with the requirements of state law; and

20 WHEREAS, The present powers, duties and responsibilities of the SFLAFCO are set
21 forth in the Cortese-Knox Local Government Reorganization Act of 1985 (the "Cortese-Knox
22 Act"), Government Code §§56000 *et seq.*; and

1 WHEREAS, the Cortese-Knox Act authorizes the appointment of an Executive Officer
2 to perform the day-to-day business of the SFLAFCO; and

3 WHEREAS, The California Legislature recently revised the state law governing
4 LAFCOs by enactment of the Cortese-Knox-Hertzberg Local Government Reorganization Act
5 of 2000 (the "Cortese-Knox-Hertzberg Act"), Government Code §§56000 *et seq.*, which takes
6 effect on January 1, 2001; and

7 WHEREAS, As a result of the Cortese-Knox-Hertzberg Act, the appointment of an
8 Executive Officer for the SFLAFCO is mandatory rather than discretionary; and

9 WHEREAS, The SFLAFCO likely will have fewer proposals for changes in local
10 governmental organization compared to the LAFCOs of other counties in California because
11 San Francisco is a consolidated city and county; and

12 WHEREAS, It is appropriate that the Board of Supervisors authorize the Clerk to serve
13 as the Executive Officer of the SFLAFCO because the MUD petition is the only proposal for a
14 change in local governmental organization the SFLAFCO has under consideration, the
15 SFLAFCO's activities will be limited due to the nature of the organization of San Francisco as
16 a consolidated city and county, and fulfilling the duties and responsibilities of the Executive
17 Officer of the SFLAFCO will not require the full time and attention of the person appointed to
18 that position; and

19 WHEREAS, Section 2.117 of the San Francisco Charter provides that the Clerk of the
20 Board of Supervisors shall, in addition to the duties and responsibilities set forth in that
21 section, have such other duties and responsibilities as the Board of Supervisors may
22 prescribe; and

23 WHEREAS, The SFLAFCO has appointed Gloria Young, Clerk of the Board of
24 Supervisors, to serve as its Executive Officer, subject to approval of the Board of Supervisors;
25 and

1 WHEREAS, It is appropriate that the salary of the Clerk of the Board of Supervisors be
2 adjusted consistent with the applicable collective bargaining agreement to compensate Gloria
3 Young for additional duties and responsibilities required of her as the SFLAFCO Executive
4 Officer; now, therefore, be it

5 MOVED, That the Board of Supervisors hereby authorizes the Clerk of the Board of the
6 Board of Supervisors to serve as the Executive Officer of the San Francisco Local Agency
7 Formation Commission and directs her to perform such duties and fulfill such responsibilities
8 as are prescribed in the Cortese-Knox-Hertzberg Act; and, be it

9 FURTHER MOVED, That the annual salary of the Clerk of the Board shall be
10 adjusted to compensate her for the additional duties and responsibilities required hereby as
11 set forth in the agreement between the City and County of San Francisco and the collective
12 bargaining unit to which the Clerk belongs.
